I understand that Region V is somewhat confused on who to send the comment letter on the FCA that was submitted to IDEM in September. I am forwarding an email that I sent to Paul Higginbotham addressing the change the City is making in their legal representation. I would appreciate it if you can forward my email to the Regional counsel folks so they can address the letter

Please let me know if you have any questions.

Thank you and have a great Thanksgiving.

I am attaching the contact information on our attorneys who will be the City's local representatives.

All correspondence should be directed to them and not Faegre Baker Daniels with a cc to me..

Please let me know if you need any additional information.

Again than you, Sierra and Susanna for your willingness to work with the City.
